FYI, [] OIS, called me yesterday afternoon, reminding me that the attached [] contain our E0 12356 sanctions and as such in a sense pertain to NSDD-84.

I did not include [] in the NSDD-84 compliance package which Mr. Fitzwater signed on 7 Apr 83 and which [] and I hand carried to [] 5 May 83. That was a deliberate move because E0 12356 is not NSDD-84.

[] is now preparing for Mr. Fitzwater's signature, a response to [] 10 June 83 "alert" message, to remind him that we gave him our package on 5 May. [] will be including a copy of [] in that package to ensure that all of our bases are covered.

You should be receiving [] package in a day or two.

[] is aware of this arrangement.

Thanks.
